2022 Angi Super Service Award® Trademark Usage Standards

Please note that this document is incorporated with and made part of the 2022 Super Service Award License Agreement which, if accepted, provides instruction regarding the use of Angi’s trademarked 2022 Angi Super Service Award. By agreeing to the 2022 License Agreement, the signee also agrees to the regulations expressed herein.

Winning the Super Service Award is an impressive accomplishment that affords you multiple opportunities to promote your company’s standing on Angi. Please remember, however, that because the Angi name and logo are trademarked, the Super Service Award has specific regulations for approved use. These regulations are in place to maintain the value and integrity of Angi and the Super Service Award program so your Award maintains its prestige.

The complete regulations, as well as the Award web badge, logo, shopping cart and press release, will be made available to each provider once the application vetting process is complete and winning status has been confirmed.

a. Super Service Awards are distributed to specific locations for outstanding work. If your company has multiple locations or franchises within or across Angi markets, any use of the Super Service Award on approved marketing materials must clearly indicate the winning location(s) by including the name of the Angi market (e.g., Indianapolis) or the address (e.g., 123 Main St.).

Reason may include (but are not limited to) persistent misuse of Angi marks, including Super Service Award name and logo, in yellow page and all other print and online directories, failure to pay advertising dues, failure to pass a background check, fraudulent reporting and lack of compliance with state and local licensing laws that govern all applicable professions/trades.

Angi expressly prohibits the use of all of its trademarks and logos in telephone directories, without the written consent of Angi. Penalties include revocation of the Super Service Award and advertising privileges as well as removal of your company from category searches.
iv. If a Super Service Award is revoked, the previously winning company may no longer represent themselves as a winner and must remove the Super Service Award name and logo from all marketing materials immediately.
